# OSHA Electronic Submission of Logs

Employers must submit required 2022 injury and illness data by March 2 if they have:

- 250 or more employees and are currently required to keep OSHA injury and illness records.
- 20-249 employees classified in specific industries with historically high rates

Visit OSHA's Injury Tracking Application (ITA) webpage for more information and to submit data online.

Remember to set up your new, more secure ITA account with Login.gov.

- You must have **BOTH** an ITA account **AND** a Login.gov account to access the application.
- All current and new account holders **must connect their ITA account to a Login.gov account with the same email address** to access the application for the 2023 collection of Calendar Year 2022 Form 300A data.

# OSHA Penalties

Below are the maximum penalty amounts, with the annual adjustment for inflation, that may be assessed after Jan. 15, 2023. (See [OSHA Memo, Dec. 20, 2022](#)).

| Type of Violation                                     | Penalty                                    |
|---|--|
| Serious<br>Other-Than-Serious<br>Posting Requirements | \$15,625 per violation                     |
| Failure to Abate                                      | \$15,625 per day beyond the abatement date |
| Willful or Repeated                                   | \$156,259 per violation                    |

# **August – January Lunch Invoices**

## **Due by March 10th**

Invoices for August – January lunches were mailed out last week. They went to the attention of the accounts payable person provided or just to accounts payable position.

Please check in with your accounts payable person to make sure they received the invoice. If they did not receive the invoice yet, please email [bssc@northweststate.edu](mailto:bssc@northweststate.edu) to ask for an electronic version.

We cannot accept Credit Card payments at this time, but we can accept checks/cash payments.

# Attendance Tracking on Website

After each month's meetings, the [blackswampsafety.org](https://blackswampsafety.org) website will be updated with an attendance tracking excel sheet for rebate tracking purposes.

If you are wondering how many meetings your company has attended/missed, you can go to the website to check.

The "1" means that the company attended that meeting, not how many people from the company attended.

# **TODAY'S SPEAKER : John Schlatter**
