TODAY'S SPEAKER : Dave Davis

Dave has been a member of the Archbold/German Township Fire Department for 31 years serving first as a volunteer firefighter/EMT and then as the Full time Fire Chief for the last 7 years. Dave has served as Past President of the Fulton County Fire Chief's Association and is currently serving on the EMA Executive Board for Fulton County. He has have been a resident of Archbold my whole life and graduated from Archbold High School in 1980. He was the former owner of Dave's IGA and worked for the Archbold School District for 15 years. He has been married to my wife Ada for 33 years and we have 4 children and 5 grandchildren. They attend Crossroads Church in Wauseon.

A background image of a fire station interior, featuring a large hose reel on the left and a fire extinguisher in the center. The image is overlaid with a dark red semi-transparent filter.

Fire Extinguishers

A GUIDE TO FIRE EXTINGUISHER SAFETY!

Fire Extinguishers

How many people here have ever had to use a fire extinguisher?

How many people here have ever taken a fire extinguisher class before?

Fire Extinguishers

Theory of Fire/ Fire Triangle

- *Fuel*
- *Air (Oxygen)*
- *Source of Heat*

Fire Extinguishers

Types of Fires:

- *Solid fuel fires (wood, paper, plastic, cloth, etc.)*
- *Electrical fires (sockets, crossed wires, etc.)*
- *Fuel fires (gasoline, diesel fuel, alcohol, etc.)*
- *Chemical fires (household chemicals, fertilizers, etc.)*
- *Grease fires*

Fire Extinguishers

Type of Extinguishers:

- *Dry Powder*
- *CO2*
- *Water*
- *Chemical – (ABC Most Common)*

Fire Extinguishers

Purpose for using an extinguisher:

- *Used on small fires just starting. (Incipient)*
- *Trying to eliminate 1 of the elements in the fire triangle.*
- *Making sure you have the right extinguisher for the type of fire you have.*

Fire Extinguishers

Extinguisher Do's and Don'ts:

- *Do – always keep your safety a priority!*
- *Do – always keep others safety a priority!*
- *Do – know the location of fire extinguishers!*
- *Do – Never Be Afraid to call 911!!*

Fire Extinguishers

Do's and Don'ts:

- *Don't try to put out a fire that is too large!*
- *Don't get yourself painted in a corner! (have a way out!)*

Fire Extinguishers

$$2 + 2 = 4$$

A fire can double in size every 30 seconds!!

Fire Extinguishers

The background image is a blurred photograph of fire equipment. On the left, a large metal reel holds a coiled white fire hose. To the right of the reel, a red fire extinguisher is visible, mounted on a wall. The entire scene is dimly lit, with a reddish-brown color cast, and the image is slightly out of focus, emphasizing the text overlay.

Fire Extinguishers

P A S S

- *How many people have heard of it?*
- *Do you know or remember what the letters stand for?*
- *Only if you use an extinguisher correctly will it help you in putting out a fire!!*

Fire Extinguishers

How to use a Fire Extinguisher:

- *Carry with pin in place.*
- *Pull the pin. (Step 1 = P)*
- *Stand approximately 10 to 12 feet away*
- *Aim the nozzle at the base of the fire (that is where the reaction is going on). (Step 2 = A)*

Fire Extinguishers

How to use a Fire Extinguisher:

- *Squeeze the handle and the extinguisher will fire. (Step 3=S)*
- *Sweep side to side at the base of the fire. Depending on the substance, try not to blow the product around. Step 4 = S)*
- *Release the handle to stop using the extinguisher to let the air clear so you can see if the fire is out.*

Fire Extinguishers

Final Points To Remember:

- *If you discharge all the material in the extinguisher, back out and find another.*
- *ALWAYS leave your self an escape route.*
- *Think SAFETY when attempting to put out a fire with an extinguisher.*

Fire Extinguishers

Final Points To Remember:

- *Any extinguisher should be checked by an authorized agent if an attempt was made to use it.*
- *Make sure your Company is doing the proper monthly and yearly inspections of their extinguishers.*
- ***ALWAYS REMEMBER TO CALL 911!!!!***

Fire Extinguishers

Questions??

Fire Extinguishers

*Call your local Fire Department to set
up Fire Extinguisher Training for your
Business or Company.*

TODAY'S SPEAKER : Hanna Huner

- Hanna Huner is a paramedic and firefighter for the City of Wauseon. Hanna is a 2014 graduate of Archbold High School. Hanna started her career in 2016 by volunteering for the Archbold Fire Department. She has worked as an EMT in Archbold, Williams County EMS, and Wauseon Fire Department. Hanna has been a full-time member of the Wauseon Fire Department for 2 years. Hanna obtained her paramedic certificate in January of 2022 from Owens Community College. Hanna is recently married to her husband Mitchell, and they have a dog named Reaper. Hanna spends her off days landscaping, or spending time with her family and friends.
