OSHA SMALL BUSINESS RESOURCES

[Small Business | Occupational Safety and Health Administration \(osha.gov\)](https://www.osha.gov)

- OSHA Coverage
- Compliance Guides
- Safety and Health Programs
- Recordkeeping and Reporting
- Small Business Handbook
- General Resources
- Publication in Variousness Languages

OSHA RECORDKEEPING NEW REQUIREMENTS

- OSHA's updated electronic injury and illness reporting rule is effective January 1, 2024. Establishments that meet the new criteria must electronically report information from their OSHA 300 Log and 301 Incident Report forms by March 2nd for the previous calendar year.
- Establishments with 100 or more employees in designated high-hazard industries (listed in Appendix B to Subpart E of 29 CFR Part 1904) must electronically submit to OSHA detailed information about each recordable injury and illness entered on their previous calendar year's OSHA Form 300 Log and Form 301 Incident Report (29 CFR 1904.41).
- https://www.osha.gov/sites/default/files/appendix_b_to_subpart_e_of_part_1904.pdf

OSHA RECORDKEEPING NEW REQUIREMENTS

- All the establishments required to submit information from their OSHA Form 300 Log and OSHA Form 301 Incident Report to OSHA under this rule are already required to collect and retain this information and are currently required to electronically submit to OSHA information from their OSHA Form 300A Annual Summary.
- The rule did not affect the existing requirement for establishments with 20 to 249 employees in certain industries
- [Recordkeeping - Final Rule Issued to Improve Tracking of Workplace Injuries and Illnesses | Occupational Safety and Health Administration \(osha.gov\)](#)

UPCOMING TOPICS/SPEAKERS

BLACK SWAMP SAFETY COUNCIL

Ladder Safety

Presented by Dave Dennison

Safety & End-User Specialist from Flaherty Sales

Northwest State Community College Voinovich Auditorium E117

Lunch at 11:30am

“Safety Dave” Dennison

- “Safety Dave” Dennison has been involved in Safety and Compliance for over 35 years in his career. Following service as a Flight Medic with the U.S. Army 82nd Airborne and seeing combat in Grenada, he became a Firefighter and Paramedic, ending his active service in 2015. In addition to over 30 years in the Fire Service, Dave has served his community as a technician on the Stark County HazMat Team, is a Past Chairman of the Stark County Safety Council and is also Past Chairman of the Stark County Emergency Planning Committee (LEPC).
- While working in the Fire Service, Dave also worked as a Safety Manager and Director for a couple of Manufacturing Industries, a Food Manufacturing facility, and most recently for a large Union commercial/Industrial Construction firm.
- Since 2017, Dave has now the Jobsite Safety & Security Specialist for Flaherty Sales, representing Werner Ladders and Werner Fall Protection in Ohio and surrounding states. He is the “go-to” resource for them on applications and equipment needs issues and provides training and onsite equipment demonstrations in various subjects.
